

*...get in touch with nature*

The guided route through harsh terrain descends steeply into the canyon via 'jelly legs gorge' and up again to the rim. There are no demarcated tracks adding a sense of true adventure to the experience. Whilst this hike requires significant levels of fitness – there is no need to carry heavy backpacks; a canvas bag with your personal belongings will be delivered each day to either Camp Eternity or Camp Edge where you will overnight.

## DAY 1

- Guests will arrive at the lodge and they will be checked-in their rooms.
- A canvas bag will be given to each guest / couple to pack the necessary items needed to overnight at the camping sites. All other belongings must be packed away and locked in the guest's car before departure.
- During dinner, the guide will introduce himself and brief the guests on the hiking activity to give all information and prepare them for the experience.
- Overnight at Lodge

## DAY 2

- After a healthy breakfast, guests will depart the lodge onboard open safari-vehicles to the start of the hiking trail.
- They will commence the descent through the famous "Jelly Legs" path.
