ITINERARY

DAY 1 : You should arrive at the Tok Tokkie Trails base by 14h00 (by 13h00 if you have booked lunch), where you will be welcomed with some refreshments. The trail starts with a visit to the Namib Desert Environmental Education Trust (NaDEET), a non-profit, donor sponsored trust, which aims at developing environmentally responsible citizens of Namibia, followed by a short scenic drive, which takes you to the spot where you start your walk. From there it is a short walk to your first overnight camp. Relax with a sundowner, marvel at the magnificent scenery and start "feeling" the desert.
Walking time: afternoon: 1 – 2 hrs, Sleeping out in the open.

DAY 2 : Coffee/ tea and breakfast are served at your bed before sunrise so that you can set off in the cool of the early morning. The highlight of the walk is the breath-taking view of the dunes and plains as well as the "coming alive" of the desert. With some luck, and the guide's trained eyes, you may spot some of the desert specials (Golden Mole, Dancing White Lady, Barking Gecko, Dune Lark, Flightless Wasp just to name a few). At the shady lunch spot there is plenty of time to relax, have a siesta and reflect on all you have seen. As the heat recedes you start walking – on and through the dunes to your second overnight spot. The scene in front of you is an endless dune sea and "fairy circles" with a backdrop of magnificent mountain scenery. A delicious dinner after a long and enjoyable day is indeed welcome.
Walking time: morning: 4 – 4.5 hrs / afternoon: 2 – 2.5 hrs, Sleeping out in the open.

DAY 3 : After an early rise and breakfast, you set off again through the dune field. The soft and rolling dunes are interspersed by camel thorn trees, which provide welcome shade for a rest. Today's walk is easy and you arrive at Tok Tokkie farmhouse at approximately 10:00, where you will again be welcomed with some refreshments. Walking time: morning: 3 – 3.5 hrs / afternoon: 0 hrs,
